From the President's Desk

Nancy Stovall

Dear Members,

In many countries and parts of the United States, May 1st is celebrated as May Day, a celebration of spring. When I was younger, my mother would ruffle crepe paper, then my sisters and I would staple the ruffles to nut cups and add a pipe cleaner handle. Once the baskets were completed, we filled the baskets with mints and nuts and then anonymously left the baskets on people's doorsteps. As I reflected on the memory, I thought of how God has left each of us with a May Basket. We just need to step out on our doorstep and see the beauty of a sunrise, a sunset, the stars and the moon.

The inability to meet physically has resulted in the reliance on email and mail to conduct year-end business. Thank you for your response by voting for the 2020-2021 slate of officers and the 2019-2020 budget revisions.

The budget for 2020-2021 is slated for approval at the May luncheon meeting. Working with Majestic, we are able to move the May 7th meeting to May 21st. The date may change again or we may need to get budget approval by email and mail, but the important thing is for the health and safety of you and our community.

Nancy

WCC members vote to donate extra funds to food pantries and educational needs

George and Betty McNitt are very pleased to accept the generous donation for the We Care Woodlawn Methodist Church food pantry presented by Cheri Leistner, WCC Secretary. The McNitts are the driving force behind the food pantry and have worked tirelessly to make it a success.

After a successful fund-raising year, WCC had excess funds and voted to make some additional donations during this time of need due to Covid 19.

The Budget Committee came up with the following suggestions that were approved:

Gulf Beach Community Food Pantry \$1,000

We Care Woodlawn UMC - \$1,000

Patronis Elementary Chorale -\$500

Arnold High School Culinary Program \$1,000

Arnold H. S. Hospitality Program \$1,000

The main focus at this time was placed on food needs and educational needs in the community.

By distributing these additional donations, the club will still retain sufficient cash to fund two years of normal annual budgeted donations. This will enable the club to fund these commitments in the event of more pandemics and/or hurricanes or other obstacles that would affect the fundraising ability in any given year.

The Budget Committee consisted of the officers of the past year, chaired by Treasurer Sue Jiles.

Attention All Members

The officers of the Women's Civic Club of Panama City Beach, Inc. have been working tirelessly through endless hours to get the club through the difficult times the last couple of months. Much planning that was done had to be cancelled or postponed, rescheduled, etc. They have done this while also being concerned about their own families and personal situations. Please, will each of you wonderful, considerate members go through the following check list and see if you have done all the tasks which will make the job easier for those planning for the coming year? Don't put it off! Do it now!

1. I sent in my committee selections for next year.
2. I paid my dues for next year. (\$20.00)
3. I would like a new picture in the yearbook next year.
4. As a committee chairman, I sent in my year-end report to the President.

At the beginning of the present fiscal year, each chairperson was given a folder about her committee from President Nancy Stovall. Please update it with your report for the year and send it back to her NOW.

Remember the old saying, "Don't put off to tomorrow what you can do today."

Thanks so much,

How members are coping during the Corona 19 self-distancing/ isolation

Ron and Elaine Lichtenberger are usually on the road with their motor home, but this year they're "Camping at Home."

Nancy Stovall has been coping as she sips her chia tea and enjoys the view of the gulf.

During this time when I am not making something in the kitchen, I am out fishing. Talk about social distancing... I spend as much time as the weather permits out fishing and often bring fish home for supper. Gloria Turner

Kay Vider made masks to match her outfits. Here she is seen on her way to her doctor's appointment.

Nan Vandenberg's grandson's graduation from medical school was cancelled for June 20th due to Corona 19. Above is Ean Phillips with girlfriend Allie Clayton. After getting their degrees from U of Florida two years ago, they are now Physician Assistants, and have already been put to work.

Many graduations and weddings have been postponed or cancelled.
