Dear Members,

On the fourth Thursday of November each year, millions of people in the United States celebrate Thanksgiving. However, studies show continuously giving thanks and counting blessings boosts your health, slows down the aging clock, puts the brakes on stress, helps in relationships and can even contribute to a lower caloric intake. I am thankful for each member of the Women's Club. Your commitment in time, support to the community and to each other is remarkable.

During the October Luncheon, Panama City Beach Mayor Mark Shelton shared his vision for our community, but it was also an opportunity for him to learn about us.

The generosity of our group was demonstrated with the thank you gift of \$800, and, of course, the tambourine, given to Todd and Angel Herendeen. The Herendeens have selflessly supported our club.

The Lunch and Program Committee has scheduled another exciting speaker for our November meeting at Texas Roadhouse - Visit Panama City Beach President and CEO Dan Rowe.

In this edition of the newsletter there is some great information on what the Community Outreach and Scholarship Committees have accomplished. The Ironman Committee is still looking for volunteers for November 2nd-6th. Please support them.

In future editions you will hear more about what the Dance, Silent Auction, Member to

COMMITTEE REPORTS

Shown above are last year's recipients receiving their scholarships from President Nancy Stovall at the June luncheon. (L to R) Isabella Gobel, Caroline Adair, Merritt Reece and Abigail Capes.

Scholarship:

The club has been very generous over the years in providing a scholarship to students at Gulf Coast State College and most recently Arnold High School. As far back as 2000-2001 the club has budgeted money for scholarships.

Prior to the scholarship /endowment to GCCC in 2007-2008, the board received applications from students attending GCCC and selected the recipients. Once the endowments were established at GCCC, the Foundation's Scholarship Committee handled the applications and selected the recipients.

A second scholarship /endowment was made to Gulf Coast State College for \$15,000 in 2013 for their Culinary students. In 2011-2012 we did not have mon-

ey budgeted for scholarships, but the club voted to donate \$1,000 to Arnold High School to help with the purchase of band uniforms for the new school. Beginning, in our calendar year, 2016- 2017, we have budgeted \$2,000 each year for two Scholarships for graduating seniors at Arnold High School.

For our \$1,000 scholarship recipients, the Scholarship Committee works with Arnold High School principal and counselors to identify two high school graduating seniors residing in Panama City

Beach who will be attending an accredited college or vocation training, .

Graduating seniors can download our scholarship application online at www.wccpcb.org. Applications must be post marked no later than April 1st. Once all applications are received, the Scholarship Committee selects the recipients, who are then invited to one of our business/ luncheon meetings.

If anyone has any further questions, please contact Gloria Turner.

Member and Arts and Crafts Committees are doing. Thank you for the great work.

According to the White House Historical Association, President George Washington named November 26, 1789, as a day of public thanksgiving after a recommendation from Congress. The President spent the day attending services at St. Paul's Chapel in New York City, as well as donating beer and food to prisoners.

MEET OUR TWO NEW MEMBERS

Two members joined WCC at the October meeting. They agreed to share some of their backgrounds so everyone could to know them better.

On the right is Janice Taylor, who was sponsored by Arlene Klaas.

“I am 67 years old. I have five children and have been blessed with seven precious grandchildren ranging in age from 20 years to 10 years. (Six girls and one boy!)

I graduated from The University of Mississippi and began my career in banking.

Years later I began volunteering at a Crisis Pregnancy Clinic in Tupelo, MS. This turned into a second career, counseling young girls and women who found themselves with an unplanned pregnancy.

I enjoy sewing, reading and being with my grandchildren.

Since much of my life has included volunteering and helping others, I felt, even in retirement, that I must continue giving of myself. I feel the Women’s Civic Club presents a wonderful way to continue this part of my life.”

Sponsor: Arlene Klaas

Committees chosen: Dance, Ironman, Special Beach Events, Christmas Parade, Kitchen, School Projects and Telephone & Reservations.

Janice Taylor

Monica Thomas is seen with her son Matthew, husband Tommy and daughter Marianna.

“My husband Tommy and I moved to PCB in June 2019. We live in the Palazzo, which is located on Front Beach Road.

I attended North Georgia College in Dahlonega, Georgia, where I received my Bachelor and Master Degrees in education. I earned my Educational Specialist Degree from Nova Southeastern University.

We lived in Peachtree City, Georgia for 20 years. Prior to that we lived in Alabama, Kansas, Oklahoma and Missouri. I retired after coaching cheerleading and teaching school for 32 years, and Tommy retired from the U.S. Army and the Atlanta Airport. Our children, Marianna, 31, and Matthew, 29, live in Atlanta.

I enjoy spending time on the beach, reading and walking. I love spending time with our family, friends and our church family. We are members of Destiny Worship Center.

I look forward to getting to know the other members and getting involved in WCC. I love to give back to others.

I am excited to be a part of such a wonderful organization! “

SCENES FROM THE OCTOBER LUNCHEON

The speaker for the day was new PCB Mayor Mark Sheldon. He updated members on all the latest businesses, street improvements and happenings on the Beach. He answered many questions from the audience.

Angel and Todd Herendeen were very pleased and grateful to receive a tambourine signed by all members present, which was presented to them by President Nancy Stovall and 2nd Vice President Sue Jiles. A check was also given to them to help them through the rough times caused by the Covid 19 Virus.

Angel and Todd Herendeen are seen with Cheri Leistner.

Newly installed member Janice Taylor is seen adding her flower to the club wreath. Her sponsor is Arlene Klaas. Monica Thomas (background, with Sue Jiles) was also installed that day.

Jane Nendick gave the devotions for the day, which were very inspirational and interesting.
